The Tradition Continues . . .

For over 50 years, GOLDEN BOOKS® products have enchanted children of all ages. Whether it's a magical moment shared between parent and child or a solo journey into the world of imagination, GOLDEN BOOKS products nurture in children a lifetime of memories. With every turn of a page, the tradition continues.

TO THE PARENT

More pictures, more fun! Super Paint With Water books have more pages than our standard Paint With Water format. Children will enjoy the bright colors that bring the many delightful scenes to life, just by using a brush and water! Colors are non-toxic, and pages are perforated for easy removal.

HOW TO USE:

- Prepare a flat work surface covered with newspaper.
- Provide an old shirt or smock, a container of water and a paintbrush.
- Select a picture and carefully tear it at perforation.
(Pictures are printed on one side for best painted results.)
- Apply a small amount of water to patterned areas, keeping within black outline. Rinse brush before going from one color to another.
- Allow picture to lie flat to dry.

Conforms to ASTM D4236.
